Disclaimer

The Smart Alarm device requires both a GPS signal and active telecommunication coverage. The Excess Refund benefit is designed to reimburse up to \$2,000 of the basic excess on your comprehensive motor insurance in the event of at-fault collisions.

To be eligible:

- The cost of repairs must exceed \$1,000.
- The product does not cover weather-related events, vehicle theft, or other non-collision incidents.
- The vehicle must not be used for commercial purposes.
- The driver must be over 21 years old and named on the comprehensive insurer's policy.
